## **Welcome to Mayer Arts Performing Arts Classes!**

### **About Us**

Mayer Arts is a program that operates out of various communities all over the Twin Cities Metro Area. We work with schools, churches and community centers to provide dance and theater classes for children of all ages. Our mission is to provide professional training for students in a positive, fun and creative atmosphere. Our belief about teaching the arts is not only to provide training for those who are serious about learning but also to just have fun! We teach proper technique, terminology, body awareness, and an appreciation for the arts. Our goal is that students will not only find a love for the arts but also build healthy habits and self-esteem. Skills that will be helpful to them for the rest of their lives!

### **Recitals / Observation Days / Session Date Reminders**

Parents, family and friends may observe class the last 15 minutes of the last day of each session for all dance classes and the last 30 minutes for theater classes. **Check [www.mayerarts.com](http://www.mayerarts.com) for reminders about session dates, no class days and performance days for your location.** Please mark your calendars. We will send reminder notes home the week before the last day of each session and no class days. If you do not pick up your child from class please check their bags for any notes from the instructor.

### **Bathroom Breaks**

Please take your child to the bathroom before class begins. If a child has to use the bathroom during class they will miss out on fun activities. The instructor will have drink and bathroom breaks if needed for longer classes.

### **Snacks and Drinks**

No food or drink besides water is allowed during class. Students must ask the instructor if they need a drink break.

### **Respect Your Instructor's Time Outside of Class**

Please do not let your children run around before or after class in the classroom area. Your instructor will let you know when she is ready for the children to come and sit down. Children are not allowed to be without supervision before or after class. If you plan on running errands during class please be back as soon as class is over.

### **Our Wonderful Instructors**

### **Proper Clothing and Shoes**

Dance students must wear proper dance clothing and shoes. Musical theater students must wear comfortable clothing and shoes that they can move in. No sandals please. If you are interested in purchasing ballet shoes, we will have them available to purchase on the first day of each session for the preschool classes only. Please see your instructor to have your child fitted. Ballet shoes are \$20. Please make checks payable to Mayer Arts.

### **Canceled Classes Due to Weather**
