

Covid-19 Preparedness Plan

As classes and camps resume, the safety of the students and staff at Mayer Arts is a top priority. We will all be working diligently to follow the Minnesota Health Department's guidelines for social distancing and sanitizing for youth activities.

Mayer Arts Policies:

- Encourage parents to distance and drop off their child at each class.
- Encourage students to wear masks during class.
- Encourage hand washing.
- All instructors will wear masks during class.
- All students will have assigned places and remain at a distance of at least 6 feet away from other students.
- Students will remain in one room during the camp or class.
- Each student will be provided with their own art supplies.
- Each student will be provided with their own hand sanitizer and tissues.
- Common areas and supplies will be sanitized.
- Class sizes will be limited to 9 students and 1 instructor.
- Please take your child's temperature before coming to class each day. If your child has a temperature of 100 degrees or above or any other covid-19 symptoms please stay home.
- Instructors will not come to class if they have a temperature or any other covid-19 symptoms. A substitute will be provided.

Thank you for your understanding. We are excited to move forward with classes and provide your child with creativity and fun this summer in a safe environment!
