

Covid-19 Preparedness Plan

The safety of the students and staff at Mayer Arts is a top priority. We will all be working diligently to follow the Minnesota Health Department's guidelines for social distancing and sanitizing for youth activities.

Mayer Arts Policies:

- Masks are recommended for unvaccinated teachers and students. We will take distanced mask breaks and go outdoors if possible. The students can take masks off outside and for performances.
- Encourage hand washing and sanitizing. Hand sanitizer will be available.
- All students will have assigned places at a distance of at least 6 feet away from other students.
- Each student will be provided with their own art supplies.
- Common areas and supplies will be sanitized.
- Please take your child's temperature before coming to class each day. If your child has a temperature of 100 degrees or above or any other covid-19 symptoms please stay home.
- Instructors will not come to class if they have a temperature or any other covid-19 symptoms. A substitute will be provided.

Thank you for your understanding. We are excited to move forward with classes and provide your child with creativity and fun this summer in a safe environment!
